Dear Mr. Riak:

Your letter to Director Steven Gourley has been forwarded to my attention as it pertains to the Field Operations Division for which I am responsible. Thank you for giving us the opportunity to address your request to display the Project NoSpank poster in our field offices.

The Department of Motor Vehicles has the pleasure of providing licensing and registration services to over 34 million customers annually. Due to the nature of the services we provide, our clientele consists of persons of legal age to drive, generally 15 ½ years of age and up. While we recognize the significance of the poster, the focus of your message is outside the arena of the clientele we service.

Although I cannot grant your request, Mr. Riak, I appreciate the time you have taken to contact us. Please do not hesitate to contact us if we can be of service in the future.

Sincerely

DOROTHY L. HUNTER, Deputy Director

Field Operations Division
